7:30 am - 4:15 pm
Registration at 7:30 am
Program at 7:50 am
Scott Conference Center
6450 Pine Street
Omaha, Nebraska

Orthopaedics is a dynamic field that requires an understanding of the assessment and management of specific orthopaedic conditions across a varied spectrum of professional care. This 13th annual conference will feature an interdisciplinary group of experts speaking on best practices for positive patient outcomes.

Target Audience:
Orthopaedic, rehabilitation, surgical, & clinic nurses, physical therapists, occupational therapists, athletic trainers, case managers, social workers, and other members of the interdisciplinary team

**Purpose**
The purpose of this conference is to provide a comprehensive update on the assessment and management of specific orthopaedic conditions across a varied spectrum of professional care.

**Objectives**
- Recognize the need for further treatment for patients with osteoporosis and fragility fractures
- Compare & contrast surgical & non-surgical hip fracture
- Summarize the different types of treatment options for compression fractures
- Identify signs and symptoms of cervical myelopathy
- Discuss the indications for Hip Arthroscopy and the results of this treatment
- Recognize the future trends in Orthopaedics related to changing payment models and centers of specialized care
- Define overuse sports injuries and related treatments and rehabilitation
- Explain how sport specificity affects the injury pattern

**Continuing Education**
- **Nurses:** Creighton University Health Sciences Continuing Education designates this activity for 6.5 contact hours for nurses.

**Accreditation Statement:**
This activity has been planned and implemented by Creighton University Health Sciences Continuing Education and CHI Health for the advancement of patient care. Creighton University Health Sciences Continuing Education is accredited by the American Nurses Credentialing Center (ANCC), the Accreditation Council for Pharmacy Education (ACPE), and the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing education for the healthcare team.

- **PT/OT:** The Boards of Physical and Occupational Therapy Practice do not pre-approve continuing education course offerings, but will accept a continuing education activity when they are planned and conducted for physical and occupational therapists and the continuing education activity relates to the practice of Physical and Occupational Therapy.
- **Social Workers:** This program meets the criteria of an approved continuing education program for social work.
- **Athletic Trainers:** CHI Health is recognized by the Board of Certification, Inc. to offer continuing education for Certified Athletic Trainers. This program has been approved for a maximum of 6.5 hours of Category A continuing education. Level of difficulty: Essential. Certified Athletic Trainers are responsible for claiming only those hours actually spent participating in the CE activity.

**Registration**
The registration fee for this program is $55, which includes continuing education hours, access to program materials, continental breakfast and lunch. This program is presented at no profit to CHI Health.

**Click on the link to register online:**
